

## What people on bikes can do:

- 1 Ride in the same direction as traffic and ride as far to the right as practicable.
- 2 At night be sure to use lights, reflectors and light colored clothing to make yourself visible.
- 3 Obey all traffic signs and signals. Bikes must stop at stop signs and traffic signals.
- 4 Helmets are required by law for kids under 18. They are a good idea no matter what your age.
