Route 51 // Temporary Night Service

Effective
4.12.26–6.30.26

The **Route 51** is a temporary Night Service designed to serve passengers riding Golden Gate Route 101 by providing a connection in Novato to Sonoma County destinations. This Route is being funded by the Metropolitan Transportation Commission (MTC) as a transitional service due to the reduction in Route 101 bus service in Sonoma County and increase in SMART service.

More details on Golden Gate Transit service changes and the increase in night SMART service can be found here:

www.goldengate.org/golden-gate-transit-april-2026-service-changes/
